Bellchime Trail Hotel on [Ecruteak City](#)

[View location on map](#)

Brief description

Tower belonging to an old Japanese temple where the legendary pokémon Ho-oh is usually worshiped. It has amazing views at all times of the year, as well as facilities of the highest luxury. It is ideal for couples as the legend says that those who manage to see the seven-colored bird will enjoy eternal bliss.

* The facilities are made of a special fireproof wood. However, many of the furniture is made of oak wood, therefore please avoid that the fire-type pokémon roam freely.
